Washington 25, D. C., May 1947

THE FOREST RESOURCES OF MISSISSIPPI

A List of References

MAY 15 1947  
DEPARTMENT OF AGRICULTURE  
Compiled by Roberta C. Watrous

In addition to references on the forests and forest industries of Mississippi this list includes related material on physical and economic conditions which have a bearing on the present position and future possibilities of forestry in the State. The arrangement is alphabetical by author.

Call numbers following the citations are those of the United States Department of Agriculture Library unless otherwise noted.

1. AHERN, G. P. Forest bankruptcy in America, each State's own story. 319 p. Washington, D. C., The Green Lamp League, 1933. 99.71 Ah3F Mississippi, p. 139-144, summarizes the situation and outlook in 1933.
2. ASHE, W. W. The Mississippi Valley as a permanent hardwood region. South. Lumberman 145(1841): 61-64, 66, 68, illus. Dec. 15, 1932. 99.81 So82 Describes forest conditions and forest types in the alluvial valley.
3. BENNETT, H. H. Forestry in the southern conservation problem. South. Pulp and Paper Jour. 5(2): 6-10, 14-17. July 1942. 302.8 So8 Using statistics taken from land-use capability surveys of ten southern States, points out that many million acres of land now in crops should be used for forestry purposes.
4. BERGCFEN, W. W. The lonesome pine. South. Conserv. 1(9): 15, illus. Dec. 1937. 279.8 So8 Describes "largest pine tree ever recorded cut in Mississippi."

5. BOND, W. E., and BULL, H. Rapid growth indicates forestry opportunities in bottomland hardwoods. *South. Lumberman* 172(2154): 54-56, 58, 60, 62, illus. Jan. 1, 1946. 99.81 So82  
Table 2 shows growing stock and net annual growth per acre in representative bottomland hardwood and pine-hardwood regions in Arkansas, Louisiana, and Mississippi.

6. BOYD, J. Fifty years in the southern pine industry. *South. Lumberman* 144(1817): 59-67; 145(1818): 23-34, illus. Dec. 15, 1931-Jan. 1, 1932. 99.81 So82  
Part 2 consists of separate accounts for each of the eleven States. Mississippi, p. 29-32.

7. BROOKINGS INSTITUTION. INSTITUTE FOR GOVERNMENT RESEARCH. Report on a survey of the organization and administration of State and county government in Mississippi...at the instance of the Research Commission of the State of Mississippi. 971 p., maps. Jackson, Miss., 1932. Libr. Cong. JK4625.1932.B7  
Contents: Pt. I, The revenue system; pt. II, Financial administration; pt. III, State government; pt. IV, County government.  
State and county functions relating to forests and forestry are discussed on p. 192-205, 212-213, 597-598, 600, 631, 764, 866-868, and 900.

8. BROOKINGS INSTITUTION. INSTITUTE FOR GOVERNMENT RESEARCH. Summary of the facts, findings and recommendations of a report on a survey of the organization and administration of State and county government in Mississippi. 142 p. Jackson, Miss., 1932. Libr. Cong. JK4625.1925.B72.  
Recommendations concerning forests and forestry, p. 100, 141.

9. BROWN, C. S. Tishomingo State Park, botany. Miss. State Geol. Survey. Bul. 32, ed. 2, enl., 68 p. Jackson, 1945. 406 M693  
Annotated list of vascular plants.

10. BROWN, G. F., and others. Geology and ground-water resources of the coastal area in Mississippi. Miss. State Geol. Survey. Bul. 60, 229 p., illus. University, Miss., 1944. 406 M69  
V. M. Foster, R. W. Adams, E. W. Reed, and H. D. Padgett, Jr., joint authors.  
U. S. Geological Survey cooperating.  
In connection with military use geology and ground-water supplies at Camps McCain, Van Dorn, and Shelby were investigated and reported in Bulletins 55, 56, and 58, published in 1943 and 1944.

11. BROWN, R. F. Forestry in the soil conservation program in northern Mississippi. *Jour. Forestry* 39: 593-600. July 1941. 99.8 F768  
"In farm improvement planning, consideration must be given to a number of forestry problems and to their interrelation with the economy of the farm as a whole. These include woodlot improvement and management, the supply of wood requirements, the disposal of surplus wood, and reforestation. Present methods of dealing with such problems in northern Mississippi are outlined." - *Forestry Abs.* 3: 261. 1942.

12. BRUNER, M. H. Forestry - essential to Delta agriculture. *Jour. Forestry* 37: 601-604. Aug. 1939. Ref. 99.8 F768  
Situation and tentative program.

13. BULL, H. Cottonwood, a promising tree for intensive management. *Chemurg. Digest* 4: 53-55. Jan. 31, 1945. 381 N213Na  
With special reference to conditions in the lower Mississippi Valley.

14. BULL, H. Cottonwood wildings make good planting stock. U. S. Forest Serv. South. Forest Expt. Sta. South. Forestry Notes No. 37, p. 1, processed. New Orleans, 1941. 1.9 F76245  
Reports preliminary results from experimental plantings at Stoneville, Miss.

15. BULL, H. Diameter growth of southern bottomland hardwoods. Jour. Forestry 43: 326-327. May 1945. 99.8 F768  
Includes table showing average 10-year D. b. h. growth of the 12 most common bottomland hardwoods of sawlog size at Stoneville, Miss.

16. BULL, H., and PUTNAM, J. A. Early survival of cottonwood and hybrid poplar plantations at Stoneville, Miss. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 94, 7 p., processed. New Orleans, La., 1940. 1.9 F76240  
Delta Experiment Station cooperating.

17. BULL, H., and PUTNAM, J. A. First-year survival and height growth of cottonwood plantations at Stoneville, Miss. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 98, 16 p. New Orleans, La., 1941. 1.9 F76240  
"There is a special interest in the planting of cottonwood on Mississippi River batture lands. (i. e., lands between the levee and the river) to replace mature cottonwood after logging." - Introduction.

18. BULL, H., and MUNTZ, H. H. Planting cottonwood on bottomlands. Miss. Farm Res. [Miss. Sta.] 6(12): 3-5. Dec. 1943. 100 M69Mi

19. BULL, H., and MUNTZ, H. H. Planting cottonwood on bottomlands. Miss. Agr. Expt. Sta. Bul. 391, 18 p., illus. State College, 1943. 100 M69  
Southern Forest Experiment Station, U. S. Forest Service, cooperating.

20. BURLEIGH, T. D. The relation of birds to the establishment of longleaf pine seedlings in southern Mississippi. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 75, 5 p., illus., processed. New Orleans, La., 1938. 1.9 F76240  
Reports results of field investigations at Harrison Experimental Forest during 2 years.

21. A CENTURY-OLD sawmill operation; mill site of R. F. Learned & Son [at Natchez] believed to be the only location sustaining a sawmill operation for such a time. South. Lumberman 144(1817): 99-100, illus. Dec. 15, 1931. 99.81 S082  
Historical sketch of the firm, with some mention of types of mill equipment of different periods.

22. CHAMBERLIN, H. H., SAMPLE, L. A., and HAYES, R. W. Private forest land ownership and management in the loblolly-shortleaf type in southern Arkansas, northern Louisiana and central Mississippi. La. Agr. Expt. Sta. Bul. 393, 46 p., illus. Baton Rouge, 1945. 100 L93  
Study of the effect of different types and sizes of forest land ownership on cutting practice and management policies.

23. COAHOMA COUNTY AGRICULTURAL POLICY AND PLANNING COMMITTEE. Land use plans and recommendations, containing descriptions, classifications and recommendations for local land use areas, Coahoma County, Mississippi. 54 p., maps, processed. Jackson? 1940? 282.045 C63  
Includes recommended practices for woodland areas.

24. COFFIN, C. W. Delta bottomland hardwoods. Miss. Forests and Parks 9(12): 8-9, 14. Apr. 1944. 99.8 M694  
Includes brief description of Delta Purchase Unit, Mississippi National Forest.

25. CONNAUGHTON, C. A., and HAIG, I. T. Forest research in the South being expanded. South. Lumberman 171(2153): 129-133, illus. Dec. 15, 1945. 99.81 So82  
Brief descriptions of research projects, including Delta and Harrison Experimental Forests in Mississippi.

26. CRAIG, R. B. The extent of tax default in the Gulf States in 1934. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 49, 21 p., map, processed. New Orleans, La., 1935. 1.9 F76240  
Includes statistics by counties for Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, eastern Oklahoma, and eastern Texas.

27. CRAIG, R. B. The little fellow and the 1942 lumber cut of the Lower South. South. Lumberman 167(2105): 159-160, map. Dec. 15, 1943. 99.81 So82  
Table and map show distribution of mills by size class for each of the 8 States.

28. CRAIG, R. B. Mississippi's forest bank account. South. Lumberman 165(2081): 211-212, illus. 1942. 99.81 So82  
Estimate of the State's current timber resources and outlook.

29. CRAIG, R. B. The past and future of forest taxation in Mississippi. Conservationist 7(9): 5, 11. Jan. 1941. 279.8 So8  
Table shows average ad valorem tax per acre on forest land and timber, Mississippi, 1936-39, for 7 type and condition classes.

30. CRAIG, R. B. Post-war tax policies and forestry. South. Lumberman 163(2057): 223-225. Dec. 15, 1941. 99.81 So82.  
Table shows trends in ad valorem property tax per acre of land and timber, 1936-1940, in Alabama, Louisiana, and Mississippi.

31. CRAIG, R. B. Taxation of forest land in the Yazoo Delta of Mississippi. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 74, 43 p., map, processed. New Orleans, La., 1938. 1.9 F76240  
Areas studied were in Tunica, Coahoma, Quitman, Washington, and Issaquena Counties.

32. CRAIG, R. B. Taxes on forest property in five selected counties in Mississippi, 1936-1939. U. S. Forest Serv. South Forest Expt. Sta. Occas. Paper 89, 9 p., map, processed. New Orleans, La., 1940. 1.9 F76240  
The counties studied were Alcorn, Holmes, Marion, Newton, and Quitman.

33. CRAIG, R. B. Taxes on forest property in nine selected counties of Alabama, 1937-40, and in seven selected counties of Mississippi, 1936-40. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 99, 13 p., map, processed. New Orleans, La., 1941. 1.9 F76240  
The Mississippi counties treated are: Alcorn, George, Holmes, Marion, Newton, Quitman, and Webster.

34. CRAIG, R. B. Taxes on forest property in nine selected parishes of Louisiana, 1937-40, in nine counties of Alabama, 1937-41, and in seven counties of Mississippi, 1936-41. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 101, 23 p., map, processed. New Orleans, La., 1942. 1.9 F76240  
The Mississippi counties studied were Alcorn, George, Holmes, Marion, Newton, Quitman, and Webster.

35. CRAIG, R. B. Taxes on forest property in two selected counties in Mississippi, 1936-1939, with State averages. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 89, sup., 7 p., processed. New Orleans, La., 1940. 1.9F76240  
George and Webster counties.

36. CRANDALL, R. S. Thryonectria disease of honey locust in the South. Plant Dis. Rptr. 26: 376. Sept. 15, 1942. 1.9 F69P  
Thryonectria austro-americana Seeler on honey locust in Tennessee, northern Mississippi, and northern Alabama.

37. CRIDER, A. F., and JOHNSON, L. C. Summary of the underground-water resources of Mississippi. U. S. Geol. Survey Water-Supply and Irrig. Paper 159, 86 p., illus. Washington, D. C., 1906. 407 G29W  
Includes notes on wells, deep-well records, and selected records in detail, by counties.

38. CROSBY, H. H. Planning perpetual operation. South. Lumberman 153 (1937): 136. Dec. 15, 1936. 99.81 So82  
Cutting plans of Crosby Lumber & Mfg. Co., Crosby, Miss.

39. CROSBY, M. A. Types of farming in Mississippi. 126 p., processed. Washington, D. C., U. S. Bur. Agr. Econ., 1940. 1.941 I6T981  
Mississippi Agricultural Experiment Station cooperating.  
Graphic maps show numerous aspects of land use and agricultural production, including pastured and unpastured woodland. Market possibilities for forest products are summarized for each of the 10 major land-use areas.

40. DANTZLER, A. M. New lease on life for Mississippi lumber firm obtained by forest management. South. Lumber Jour. 48(11): 40, 42. Nov. 1944. 99.81 So8  
Holdings and plans of L. N. Dantzler Lumber Co., Moss Point, Miss.

41. DELTA CHAMBER OF COMMERCE. Delta hardwood forests: a neglected resource. A brief report on the Delta forest problem, with recommendations for a much-needed research and demonstration project. 13 p., processed. Stoneville, Miss., 1938. 99.61 D38  
Delta Experiment Station and Southern Forest Experiment Station cooperating.  
Recommends establishment of a forest experiment station at Stoneville.

42. DELTA COUNCIL. Delta bottomland hardwoods, a report on bottomland hardwood research and utilization. 23 p., illus. Stoneville, Miss., 1945. 99.61 D382  
Activities and program of Delta Experimental Forest, Stoneville, Miss.

43. DELTA COUNCIL. A prospectus of the Yazoo-Mississippi Delta. 61 p. Stoneville, Miss., 1944. 280.045 D38  
Contribution toward a State-wide survey "which seeks through analysis of resources and potentialities to plan for a more balanced economy in the post-war period."

44. DEMMON, E. L. Forests needed to restore eroded Mississippi bluff land. U. S. Forest Serv. Forest Worker 5(1): 12-13. Jan. 1929. 1 F76Fw

45. DEMMON, E. L. Mississippi's forests and the future. Delta Council News 4(3): 1, 3. Jan. 21, 1943. 280.8 D38  
Recommends measures to improve the present forestry situation in Mississippi.

46. DEMMON, E. L. Southern forestry, past, present, and future. South. Lumberman 165(2057): 213-218, illus. Dec. 15, 1941. 99.81 So82  
Includes statistics of forest acreage, volume, and fire protection by States.

47. DUNSTON, C. E., HOLMES, J. S., and FOSTER, J. H. Forest conditions of Mississippi, being a reprint with additions of Bulletins Nos. 5 and 7. Miss. State Geol. Survey Bul. 11, 166 p., illus. Jackson? 1913. 406 M693  
Statistical Supplement, by E. N. Lowe, p. 133-135, and Note on the Flora of Mississippi, by E. N. Lowe, p. 138-166.

48. EDGERTON, D. P. The ABC of Mississippi's forestry program. Wash. (State) Univ. Forest Club Quart. 10(1): 11-15. Autumn 1936/37. 99.9 W275Q  
Deals chiefly with the education program.

49. EDMONDS, R. W. Mississippi steps ahead in forestry. Mfrs. Rec. 89(26): 101-102. July 1, 1926. 297.8 M31  
Situation and outlook shortly after passage of 1926 Forestry Act.

50. ELDREDGE, I. F. Forestry in relation to land utilization. 11 p., illus., processed. New Orleans? La., U. S. Forest Serv., South. Forest Expt. Sta., 1938? 1.9 F7624Fr  
Possibilities for increased forest development and utilization in Louisiana, Mississippi, Alabama, and Georgia, with special reference to changes in cotton acreage in those States.

51. ELDREDGE, I. F. A preview of the Forest Survey's findings in the Lower South. South. Lumberman 155(1961): 123-126, illus. Dec. 15, 1937. 99.81 So82  
Tables include only one Mississippi unit.

52. ERIKSON, H. E. Reforestation in Mississippi. South. Conserv. 5(4): 9, 22, illus. July 1933. 279.8 So8  
Account of progress.

53. FAULKS, E. B. Forest resources in the longleaf pine region of Mississippi and east Louisiana. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 59, 34 p., illus., processed. New Orleans, La., 1933. 1.9 F7624F

54. FEDERAL WRITERS' PROJECT. MISSISSIPPI. Mississippi; a guide to the Magnolia State. Compiled and written by the Federal Writers' Project of the Works Progress Administration. Sponsored by the Mississippi Advertising Commission. 545 p., illus. New York, Viking Press, 1938. (American guide series) 125 F312Mi  
"Although primarily a guidebook, it will serve also as a spring-board from which those interested in research may plunge into the almost undisturbed waters of Mississippiana." - Preface.

55. FEDERAL WRITERS' PROJECT. MISSISSIPPI. Mississippi Gulf Coast yesterday and today, 1699-1939. 162 p., illus. Gulfport, Miss., Gulfport Printing Co., 1939. 125 F312Mg  
Includes descriptive notes on turpentining, creosoting, kraft paper manufacture, and lumbering.

56. FIRST in Mississippi. Lumber is most important industry, employing 60% of all wage earners. South. Lumberman 145(1838): 17. Nov. 1, 1932. 99.81 So82  
Press release from National Lumber Manufacturers' Association.

57. FISK, H. N. Geological investigation of the alluvial valley of the lower Mississippi River, conducted for the Mississippi River Commission. 78 p., illus. Vicksburg? Miss., 1944. 152.61 G29  
"The several parts of the report consider the general geological features of the alluvial valley in the following order: a summary of the major characteristics of the valley; the nature of the Mississippi entrenched valley system; the nature and distribution of the Recent alluvium filling the entrenched valley system; the characteristics of the alluvial plain; the Recent history of the valley; a discussion of the Mississippi River and its activities; and summary and conclusions. An appended section presents the geologic setting of the alluvial valley and a brief summary of the pre-Recent geological history of the region." - Introduction.

58. FONTAINE, M. B. Mississippi forestry laws. Miss. Forests and Parks 9(9): 7-8. Jan. 1944. 99.8 M694  
A brief résumé.

59. FORTENBERRY, J. H. Facts and figures relative to financing Mississippi State parks. Miss. Forests and Parks 6(2/3): 4. Feb./Mar. 1940. 99.8 M694

60. FORTENBERRY, J. H. State parks in Mississippi. South. Conservationist 1(6): 12-13, illus. Sept. 1937. 279.8 So8  
Map and descriptive comment.

61. FOSTER, E. The use of aerial photographs in mapping ground conditions and cruising timber in the Mississippi River bottom lands. U. S. Forest Serv. South Forest Expt. Sta. Occas. Paper 37, 6 p., illus., processed. New Orleans, La., 1934. 1.9 F76240  
Advantages and shortcomings of the method.

62. FOSTER, V. M. Artesian water resources of Mississippi. South. Conserv. 5(2): 10-11. May 1938. 279.8 So8  
Summary of information on artesian waters of Mississippi contained in the Progress Report of the Mississippi State Planning Commission.

63. FOSTER, V. M. Surface waters of Mississippi in a unified conservation program. South. Conserv. 4(12): 14-15, 19; 21, map. Mar. 1938. 279.8 So8  
Map shows drainage basins.  
Summary of information from the Progress Report of the Mississippi State Planning Commission.

64. GARVER, R. D. Overcup oak for lumber. South. Lumberman 150(1900): 25. June 1, 1935. 99.81 So82  
Tables show percentages of lumber in each grade, and volume used, length, and production cost by tree sizes for stands in Arkansas and Mississippi.

65. GEMMER, E. W., MAKI, T. E., and CHAPMAN, R. A. Ecological aspects of longleaf pine regeneration in south Mississippi. *Ecology* 21: 75-86, illus. Jan. 1940. 410 Ec7  
Based on experimental field and laboratory work.

66. GIPARD, J. W. Volume tables for Mississippi bottomland hardwoods and southern pines. *Jour. Forestry* 31: 34-41, illus. Jan. 1933. 99.8 F768  
Describes a method of making volume tables that take into account local forest and lumbering conditions.

67. GOINS, C. Mississippi's "Cinderella child." *South. Conserv.* 5(5): 14-15, 21, illus. Aug. 1938. 279.8 So8  
Prospects for the future of forestry and forest industries in Mississippi.

68. GOULD, C. W., and MAXWELL, H. The wood using industries of Mississippi. Bureau of Wood Utilization of Forest Service makes complete report showing wonderful resources of State and necessity for additional lumber consuming factories near to source of raw material. *Lumber Trade Jour.* 61(6): 19-29. Mar. 15, 1912. 99.81 L973

69. HALL, W. L. The Masonite conservation program. *South. Conserv.* 1(7, i. e. 8): 6, 23, illus. Nov. 1937. 279.8 So8  
Steps taken by the Masonite Company to assure a permanent wood supply for its operations in Laurel, Miss.

70. HARPER, R. M. A botanical cross-section of northern Mississippi, with notes on the influence of soil on vegetation. *Torrey Bot. Club. Bul.* 40: 377-399, illus. Aug. 1913. 451 T63B  
Plants identified in each of several soil belts are listed in order of abundance.

71. HARPER, R. M. The forest regions of Mississippi in relation to the lumber industry; a geographical and statistical study. *South. Lumberman* 70(935): 27-28. Aug. 23, 1913. 99.81 So82  
Includes table showing relative number of mills cutting each kind of wood in each region.

72. HARPER, R. M. A superficial study of the pine-barren vegetation of Mississippi. *Torrey Bot. Club. Bul.* 41: 551-567, illus. Nov. 1914. Ref. 451 T63B  
Quantitative analysis and notes on distribution based chiefly on railway-car-window observations.

73. HARTMAN, W. A. The place of forest land in post-war agriculture of the South. *South. Pulp & Paper Jour.* 5(3): 8-10, illus. Aug. 1942. 302.8 So8

74. HELPHENSTINE, R. K., JR. Quantity of wood treated and preservatives used in the United States in 1944. *Amer. Wood Preservers' Assoc. Proc.* (1945) 41: 236-259, map. Washington, D. C., 1945. 300.9 Am3  
Table 2 shows distribution of treating plants by regions, states, classes, and types.  
Similar reports included in earlier volumes of Proceedings.

75. HENDERSON, C. O., and CALDWELL, J. T. Lands owned by the State of Mississippi through tax reversion. *U. S. Farm Security Admin. Region 6, Mimeograph* 4, 43 p., maps. Little Rock, Ark., 1937. 1.9506 M65  
U. S. Bureau of Agricultural Economics cooperating. Eight tables show data by counties.

76. HENDERSON, C. O., and WISE, H. The subsidization of rural land areas in Mississippi. U. S. Farm Security Admin. Region 6. Mimeograph 1, 57 p., illus. Little Rock, Ark., 1937. 1.9506 M65  
U. S. Bureau of Agricultural Economics cooperating.  
Assembles data on various types of subsidies by counties and correlates certain factors on the basis of distribution in ten poor land counties and ten rich land counties.

77. HOLMES, J. S., and FOSTER, J. H. Condition of cut-over longleaf pine lands in Mississippi. U. S. Forest Serv. Cir. 149, 8 p. Washington, D. C., 1908. 1 F76C  
Mississippi Geological Survey cooperating.

78. HOLMES, R. S., and HEARN, W. E. Chemical and physical properties of some of the important alluvial soils of the Mississippi drainage basin. U. S. Dept. Agr. Tech. Bul. 833, 82 p., illus. Washington, D. C., 1942. 1 Ag84Te  
Includes descriptions of 6 soil profiles from Arkansas, Mississippi, and Louisiana.

79. HUTCHINSON, W. L., PERKINS, W. P., and FERRIS, E. B. Soils of Mississippi: chemical and physical composition. Miss. Agr. Expt. Sta. Bul. 65, 8 p., illus. Agricultural College, 1900. 100 M69

80. HUTCHINSON, W. L. Soils of Mississippi: plant food and productiveness. Miss. Agr. Expt. Sta. Bul. 66, 23 p., illus. Yazoo City, 1901. 100 M69

81. INVENTORY of Federal archives in the States, prepared by the Survey of Federal Archives; Division of Professional and Service Projects, Works Progress Administration, the National Archives, and Louisiana State University, cooperating sponsors. Series IX. The Department of Agriculture. No. 23. Mississippi. 232 p., processed. New Orleans, La., The Survey of Federal Archives, 1939. 242 In8  
Forest Service records listed on p. 164-182.

82. JOHNSON, C. S., and others. Statistical atlas of southern counties; listing and analysis of socio-economic indices of 1104 southern counties. 355 p. Chapel Hill, The University of North Carolina Press, 1941. Ref., p. 301-355. 260.002 J632S  
"This volume provides data [for the 13 southern States], by individual counties and significant classifications of counties, on population, economic organization, and social characteristics, with particular reference to the factor of education." - Introduction, p. 3.

83. KIPP, H. A. Report on the Belzoni drainage district in Washington County, Mississippi. U. S. Off. Expt. Stas. Bul. 244, 55 p., illus. Washington, D. C., 1912. 1 Ex6B  
Includes a table showing division of the district by sections into cultivated, timber and deadened timber lands, and sloughs, bayous, and lakes, with acreage of each type, p. 47-50.

84. LAUDERBURN, D. E. Trees of the Yazoo-Mississippi Delta and their economic values. Miss. State Col. Ext. Bul. 67, 52 p., illus. State College, 1933. 275.29 M68  
Annotated list, with uses. Adapted from Putnam, J. A., and Bull, H. Trees of bottomlands of the Mississippi River Delta region. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 27. 1932.

85. LAUDERBURN, D. E. Wood-using developments and prospects in Mississippi. South. Lumberman 137(1770): 148-149, illus. Dec. 15, 1929. 99.81 So82
86. LEAVITT, R. Mississippi national forests and oil. Miss. Forests and Parks 9(14): 3, 5. June 1944. 99.8 M694  
Conditions of ownership of mineral rights, methods of leasing, and disposition of money received.
87. LEGETT, A. A. State forest service objectives. Rural Life [Jackson, 1(2/3): 73-77. Oct. 1944/Jan. 1945. 281.28 R883  
Aims and progress in fire protection, education, and reforestation.
88. LEHRBAS, M. Fine stand of hardwoods found on Jackson Point, Mississippi. South. Lumberman 145(1837): 17, illus. Oct. 15, 1932. 99.81 So82  
Brief description of stands on batture land of Coahoma Co.
89. LEMIEUX, F. J. Log rules, taper tables, and volume tables for use in the South. Jour. Forestry 34: 970-974. Nov. 1936. 99.8 F768  
Table 5 compares estimates with actual scale of shortleaf and loblolly pines in southern Mississippi.
90. LENTZ, G. H. Delta portion of Mississippi Survey completed. Jour. Forestry 30: 1015. Dec. 1932. 99.8 F768  
Reports completion of field work in Forest Survey.
91. LENTZ, G. H. Erosion studies in Mississippi include contour mapping. U. S. Forest Serv. Forest Worker 8(1): 13. Jan. 1932. 1 F76Fw  
Reports large-scale mapping of five representative farms in the silt loam uplands.
92. LENTZ, G. H. Field manual for the Forest Survey in the bottomland hardwoods of the Mississippi Delta. 30 p., illus., processed. New Orleans? La., U. S. Forest Serv., South. Forest Expt. Sta., 1932. 1.9 F7624Fm
93. LENTZ, G. H. The Forest Survey in the bottomland hardwoods of the Mississippi Delta. Jour. Forestry 29: 1046-1055. Nov. 1931. 99.8 F768  
Comments, by J. A. Putnam, p. 1056-1059.  
Largely a discussion of the working plan for the Survey. Twelve forest types are described briefly.
94. LENTZ, G. H. A remnant of Mississippi's virgin hardwoods. U. S. Forest Serv. Forest Worker 8(6): 11-12. Nov. 1932. 1 F76Fw  
Brief description of a stand on Jackson's Point, Coahoma Co.
95. LENTZ, G. H., SINCLAIR, J. D., and MEGINNIS, H. G. Soil erosion in the silt loam uplands of Mississippi. Jour. Forestry 28: 971-977. Nov. 1930. 99.8 F768  
Three counties were studied: Wilkinson, Lafayette, and Marshall.
96. LENTZ, G. H. Top diameter utilization limits for Delta hardwoods. Jour. Forestry 31: 547-550, illus. May 1933. 99.8 F768  
Adjustment of standard volume tables for trees with long spreading crowns.
97. LOGAN, W. N. The soils of Mississippi. Miss. Agr. Expt. Sta. Tech. Bul. 7, 84 p., illus. Agricultural College, 1916. 100 M69  
Revision and enlargement of Technical Bulletin 4.

98. LOGAN, W. N., and PERKINS, W. R. The underground waters of Mississippi; a preliminary report. Miss. Agr. Expt. Sta. Bul. 89, 112 p., illus. Agricultural College, 1905. 100 M69

99. LONG, L. E., and KIFER, R. S. Farm practices in south central Mississippi with suggested changes. Miss. Agr. Expt. Sta. Bul. 276, 59 p., illus. A. & M. College, 1929. 100 M69  
Based on detailed farm records from Jones County. Includes recommendations for reforestation as a farm enterprise.

100. LOWE, E. N. Mississippi, its geology, geography, soil and mineral resources. Miss. State Geol. Survey Bul. 14, 346 p., illus. Jackson, 1919. 406 M693  
"A revision with additions of Bulletin No. 12."

101. LOWE, E. N. Notes on forests and forestry in Mississippi. South. Forestry Cong. Proc. (1921) 3: 193-198. 99.9 So85  
Brief descriptive and historical notes, with recommendations for legislation.

102. LOWE, E. N. Our waste lands. A preliminary study of erosion in Mississippi. With an appended address on Mississippi's agricultural potentialities, by Dr. W. J. McGee. 23 p. Jackson, Miss. Geol. Survey, 1910. 56.22 M692

103. LOWE, E. N. Plants of Mississippi; a list of flowering plants and ferns. Miss. State Geol. Survey Bul. 17, 292 p., map. Jackson, 1921. 406 M693  
Trees and shrubs of the various regions are discussed in the section Topographic and Floristic Regions of Mississippi, p. 29-55.

104. LOWE, E. N. A preliminary study of soils of Mississippi. Miss. State Geol. Survey Bul. 8, 220 p., illus. Nashville, Tenn., 1911? 406 M693

105. LOWE, E. N. Reforestation, soil erosion and flood control in the Yazoo drainage basin. Lumber World Rev. 42(4): 47-48. Feb. 25, 1922. 99.81 L972  
Stresses interrelation of these factors and the urgent need to stop rapid erosion of uplands.

106. MCDONALD, W. F. Climatic factors in the agriculture of Louisiana and southern Mississippi. La. Agr. Col. Ext. Cir. 89, pt. II, 60 p., illus. Baton Rouge? 1926. 275.29 L930  
A brief summary of the climate of Louisiana and southern Mississippi, p. 10-22; The place of timber growing in the development of Louisiana and south Mississippi, by R. D. Forbes, p. 44-60.

107. MAISENHEIDER, L. C. Bottomland hardwood management studied in Mississippi. South. Lumberman 171(2153): 117-121, illus. Dec. 15, 1945. 99.81 So82  
Account of projects at Delta Experimental Forest, Stoneyville.

108. MANGUS, A. R. Rural regions of the United States. 230 p., maps. Washington, D. C., U. S. Govt. Print. Off., 1940. 173.2 W89Rr  
Special report of the Division of Research, Works Projects Administration.  
Mississippi counties are placed in the following regions: Eastern Old South (subregions 116, 118, 120-123); Mississippi Delta (subregion 124); Lower Atlantic Coast Plain (subregions 153-154).

109. MATTOON, W. R., and BEAL, J. M. Common forest trees of Mississippi. Miss. A. & M. Col. Ext. Bul. 32, rev., 20 p., illus. A. & M. College, 1931. 99.3 M43M  
Illustration, description of tree and wood, and uses of each of 78 native species.

110. MATTOON, W. R. Sawmilling for 102 years. J. S. Forest Serv. Forest Worker 7(3): 16. May 1931. 1 F76Fw  
Notes on the history of a sawmill plant at Natchez, Miss.

111. MEGINNIS, H. G. Effect of cover on surface run-off and erosion in the loessial uplands of Mississippi. U. S. Dept. Agr. Cir. 347, 15 p., illus. Washington, D. C., 1937. Ref. 1 Ag84C  
Study based on measurements on small plots representing seven combinations of cover type.

112. MEGINNIS, H. G. Forestry invoked to aid flood control in Mississippi uplands. U. S. Dept. Agr. Yearbook 1931, p. 262-265, illus. Washington, D. C., 1931. 1 Ag84Y  
Tells of studies made by the Southern Forest Experiment Station in 1929.

113. MEGINNIS, H. G. Tree planting to reclaim gullied lands in the South. Jour. Forestry 31: 649-656. Oct. 1933. 99.8 F768  
Comments by G. H. Lentz, p. 656-657.  
Presents preliminary results from experiments in planting typical gullied land in Mississippi.

114. MERRILL, F. B. Fire control assures future forests for Mississippi. South. Lumberman 153(1937): 152, map. Dec. 15, 1936. 99.81 So82  
Map shows counties with organized fire protection.

115. MERRILL, F. B. A forest policy and program for Mississippi, with substantiating material. 29 p. Jackson, State Forestry Comm., 1933. 99.71 M69S  
Includes tables showing acreage of cultivable and potential forest lands, by counties.

116. MERRILL, F. B. Forest products benefit Mississippi. South. Conserv. 1(1): 12, illus. Apr. 1937. 279.8 So8

117. MERRILL, F. B., comp. Forestry and allied laws of Mississippi. 14 p. Jackson, Miss. Forest Serv., 1932. 99.59 M69

118. MERRILL, F. B. A forestry program for teachers of vocational agriculture in Mississippi. 39 p., map, processed. Jackson, Miss. Forest Serv., 1931. 99.06 M69F  
Includes outlines for 9 projects.

119. MERRILL, F. B. History of Mississippi State forest nurseries, 1930-1941. Miss. Forests and Parks 7(6/7): 3, 7. June/July 1941. 99.8 M694

120. MESSAUG, C. Estimating monthly lumber production in the Lower South. South. Lumberman 167(2105): 175-177. Dec. 15, 1943. 99.81 So82  
182 Mississippi mills were among the 1141 in the Lower South used as samples in preparing production figures for the War Production Board.

121. ME SAVAGE, C., and DUERR, W. A. Timber resources of the Lower South, 1946. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 55, 6 p., map, processed. New Orleans, La., 1946. 1.9 F7624F  
Also in South. Pulp & Paper Jour. 9(9): 58-59, 64. Sept. 15, 1946. 302.8 So8; and South. Lumberman 172(2164): 38-39. June 1, 1946. 99.81 So82  
Volume estimates are based on actual timber cruises in some units, spot checks and ocular and office estimates in the others.

122. MINER, J. H. Early lumbering in the South. South. Lumberman 160 (2021): 53. June 15, 1940. 99.81 So82  
Consists mainly of description of mill near Lake, Miss., in 1870.

123. MISSISSIPPI. Mfrs. Rec. 115: 73-103, illus. Jan. 1946. 297.8 M31  
Sketch of present natural resources, agricultural and industrial conditions. Forests, p. 90-91.

124. MISSISSIPPI. AUDITOR OF PUBLIC ACCOUNTS. Biennial report, July 1, 1943 to June 30, 1945. 72 p. Jackson? 1945? 252.45 Au2R  
Library has also earlier reports.  
Includes figures relating to Forestry Commission.

125. MISSISSIPPI. FOREST SERVICE. County forest fire protection. 8 p. Jackson, 1930. 99.51 M693  
Plan, contract, and enabling act.

126. MISSISSIPPI. FOREST SERVICE. Longleaf pine or the razor-back hog? 7 p., illus. Jackson, 1930. 46 M68  
Comments on the damage to longleaf pine reproduction by rooting of hogs.

127. MISSISSIPPI. FORESTRY COMMISSION. The forest situation in Mississippi. U. S. Forest Serv. Div. Private Forestry. B-11, 25 p., illus., processed. Washington, D. C., 1937. 1.9 F7681B  
U. S. Forest Service cooperating.  
Brief summary of the forest situation in the State, with numerous charts.

128. MISSISSIPPI. FORESTRY COMMISSION. Seventh biennial report of the Mississippi Forestry Commission, biennium ending June 30, 1939, and the first biennial report of the Mississippi State Board of Park Supervisors, Biennium ending June 30, 1939. 109 p., illus. Jackson, 1939? 99.9 M694B  
Library has also earlier reports of Forestry Commission.  
Includes numerous charts, tables, and maps dealing with forests and forest industries.

129. MISSISSIPPI. INDUSTRIAL COMMISSION. The realm of King Chemurgy. 32 p., maps. Jackson, 1939? 281.045 M69  
Mississippi Advertising Commission cooperating.  
Includes numerous maps showing locations of agricultural and forestry processing plants, transportation and power facilities, and vocational schools, by counties.

130. MISSISSIPPI. LAND USE CONFERENCE. First report of the permanent committee. 10 p., processed. A. & M. College, 1931. 275.29 M68R  
Mississippi Agricultural & Mechanical College and U. S. Dept. of Agriculture cooperating.  
Suggestions for land owners and for the State.

131. MISSISSIPPI. LAWS, STATUTES, ETC. New forestry laws. Miss. Forests and Parks 9(12): 7, 10-14. Apr. 1944. 99.8 M694  
Texts of Senate Bill 156 and House Bill 459, approved March 24 and March 31, 1944.

132. MISSISSIPPI. LEGISLATURE. COMMITTEE ON CONSERVATION AND REFORESTATION. Report of the committee...Authorized under Senate Concurrent Resolution No. 18, 1920 session of the Mississippi Legislature. 50 p. Jackson, 1921. 99.71 M69  
Includes text of proposed Forest Act, providing for the creation of a State Board of Forestry and for encouraging the growing of forests on public and private lands.

133. MISSISSIPPI. STATE AGRICULTURAL PLANNING COMMITTEE. Progress report, 1st-2d. 2 v., processed. Jackson? 1941-42. 281.12 St2Miss.  
Include recommendations for timber management and conservation.

134. MISSISSIPPI. STATE BOARD OF DEVELOPMENT. Mississippi, America's State of opportunity. 280 p., illus. Jackson? 1944. 280.045 M69  
Descriptive and statistical notes on forestry and forest industries, p. 89-99.

135. MISSISSIPPI. STATE BUDGET COMMISSION. General fund budget discussion for the fiscal biennium 1946-1948. 31 p. Jackson, Miss., 1945. 284.9 M693  
Library has also earlier issues.  
Includes estimates of revenues from Timber Severance Tax and recommendations for appropriations for Forestry Commission.

136. MISSISSIPPI. STATE FOREST SERVICE. Report of hardwood study, Sharkey County, Mississippi. South. Lumberman 137(1765): 63-64. Oct. 1, 1929. 99.81 So82  
Houston Bros., Vicksburg, cooperating.  
Report of field work, February-March 1929.

137. MISSISSIPPI. STATE FOREST SERVICE. What the forests and forest industries mean to Mississippi. 32 p., illus. Jackson? 1945. 99.61 M693  
U. S. Forest Service cooperating.  
Includes graphic and tabular presentations of pertinent data.

138. MISSISSIPPI. STATE LAND COMMISSIONER. Biennial report, July 1, 1945 to June 30, 1945. Jackson? 1945? 252.45 L22  
Library has also earlier reports.  
Includes report of Lieu Land Commission and a compilation of State-owned, other than tax-forfeited, lands, by counties, giving description and location, number of acres, method and date of acquisition, purpose for which it was acquired, and present use.

139. MISSISSIPPI. STATE PLANNING COMMISSION. Digest of laws relating to State parks. Prepared by United States Department of Interior National Park Service. 4 p., processed. Jackson? 193-?  
280.7 M692D

140. MISSISSIPPI. STATE PLANNING COMMISSION. Digest of standard State soil conservation districts law. 9 p., processed. Jackson, 1937. 280.7 M692Di

141. MISSISSIPPI. STATE PLANNING COMMISSION. Forestry and forest industries in Mississippi; statistical data by counties. 97 p., processed. Jackson, 1938. Refs. 280.7 M692F  
Works Progress Administration and National Resources Committee cooperating.  
L. C. Leggett, Supervisor of Forestry Survey.

142. MISSISSIPPI. STATE PLANNING COMMISSION. Forests - one solution to Mississippi's major land use problems. Miss. Forests and Parks 5(3/4): 4-5, map. Mar./Apr. 1939. 99.8 M694  
Mississippi Forestry Commission and Extension Service cooperating.  
Map shows distribution of three major land uses, with supplementary statistics by counties.

143. MISSISSIPPI. STATE PLANNING COMMISSION. Index of manufacturers in Mississippi, as of Dec. 15, 1936. (Preliminary.) Miss. State Planning Comm. Release 5, 31 p. Jackson, 1937. 280.7 M692R  
Lists sawmills and planing mills, lumber and timber products, including fibre wall boards, furniture, cooperage, box factories, veneer plants, stave mills, and other lumber and timber products manufacturers.  
A revised edition, issued in 1947 by the Mississippi Board of Development, was not available for consultation.

144. MISSISSIPPI. STATE PLANNING COMMISSION. The industrial status of Mississippi. Miss. State Planning Comm. Release 10, 26 p. Jackson, 1937. 280.7 M692R  
The lumber industry, p. 9-13.

145. MISSISSIPPI. STATE PLANNING COMMISSION. Mississippi park, parkway and recreational-area study. Existing legislative study. A study of existing legislation in Mississippi relative to park, parkway and recreational-areas and similar activities. 47 p., processed. Libr. Cong. SB482.M7A5  
Legislation relating to National forest lands, forest protection tax, creation of State forests, and Forestry Commission, p. 41-46.

146. MISSISSIPPI. STATE PLANNING COMMISSION. Progress report on State planning in Mississippi, January 1, 1938. 162 p. Jackson, 1938. 280.7 M692Pr  
National Resources Committee and Works Progress Administration cooperating.  
Includes statistical and diagrammatic presentation of various factors relating to land, water and mineral resources, population, income and wealth, public welfare, recreation, and rural electrification.

147. MISSISSIPPI. STATE PLANNING COMMISSION. A summary of statistical data relating to the growth and distribution of Mississippi population. 97 p., processed. Jackson, 1939. 280.7 M692Su  
Works Progress Administration and National Resources Committee cooperating.  
Tables for each county show growth of population, by census years, density of population per square mile, 1900-1930, distribution of population by age groups, 1930, and colored population prior to 1870, by status.

148. MISSISSIPPI. STATE PLANNING COMMISSION. Tentative final report of the park, parkway, and recreational-area study, Mississippi, January 1, 1938. 222 p., processed. Jackson, Miss., State Planning Comm. and Natl. Park Serv., 1938. 280.7 M692T  
National Park Service, Works Projects Administration, Natural Resources Committee, and State Board of Park Supervisors, cooperating.  
Contains numerous dot and other maps showing various types of information by counties, especially with reference to existing and proposed park and recreational facilities.

149. MISSISSIPPI. STATE PLANNING COMMISSION. Transportation in Mississippi. Miss. State Planning Comm. Release 15, 83 p. Jackson, 1937. 280.7 M692R

150. MISSISSIPPI. STATE PLANNING COMMISSION. GEOLOGIC DIVISION. Mineral resources of Mississippi (a summary). For preliminary distribution. 37 p., maps, processed. Jackson, 1937. 280.7 M6923  
Maps show known mineral resources and geologic formations.

151. MISSISSIPPI. STATE PLANNING COMMISSION. LAND PLANNING DIVISION. Land economy: Mississippi. 54 p., processed. Jackson, 1937. 280.7 M6922L  
Includes table showing major land use acreages, by counties.

152. MISSISSIPPI. STATE PLANNING COMMISSION. LAND PLANNING DIVISION. Land planning program for Mississippi. 20 p., map, processed. Jackson, 1937. 280.7 M6922La  
Discussion of needs and methods, with recommendations.

153. MISSISSIPPI. STATE PLANNING COMMISSION. LAND PLANNING DIVISION. Natural (planning) regions in Mississippi. 20 p., map., processed. Jackson, 1937. 280.7 M6922N  
Includes brief description of each natural region.

154. MISSISSIPPI. STATE PLANNING COMMISSION. LAND PLANNING DIVISION. Natural vegetation, Mississippi (forest types). 7 p., map, processed. Jackson, 1937. 280.7 M6922  
Map shows distribution of major vegetation types.

155. MISSISSIPPI. STATE PLANNING COMMISSION. LAND PLANNING DIVISION. Outline of Mississippi soils, as submitted for preliminary distribution, without maps. 19 p., processed. Jackson? 1937. 280.7 M69220

156. MISSISSIPPI. STATE TAX COLLECTOR. Biennial report, July 1, 1943 through June 30, 1945. 15 p. Jackson, 1945? 252.45 T19  
Library has also earlier reports.  
Includes tables showing amounts of various taxes collected, by counties.

157. MISSISSIPPI. STATE TAX COMMISSION. Facts relating to the operations of the Mississippi State Tax Commission and general information concerning the finances of Mississippi. Miss. State Tax Comm. Serv. Bul. 13, 18 p. Jackson, 1935. 252.45 T192  
Timbered lands are assessed separately.

158. MISSISSIPPI. STATE TAX COMMISSION. Mississippi sales tax statistics. Miss. State Tax Comm. [Serv. Bul. 1], 7 p. Jackson, 1932. 252.45 T192  
Includes table showing sales tax revenues by counties and by business classes for the period May 1-Oct. 21, 1932.

159. MISSISSIPPI. STATE TAX COMMISSION. Property assessments and ad valorem taxes, with county details. Miss. State Tax Comm. Serv. Bul. 26, 22 p. Jackson, 1944. 252.45 T192  
Similar information for 1934 may be found in Serv. Bul. 12, 40 p., 1935; for 1937 in Serv. Bul. 18, 37 p., 1937; for 1938 in Serv. Bul. 21, 31 p., 1940; for 1940 in Serv. Bul. 24, 39 p., 1942.

160. MISSISSIPPI. STATE TAX COMMISSION. Receipts and disbursements and change in debt position of the State of Mississippi, July 1, 1944-June 30, 1946, together with a resume of the activities of the State Tax Commission, July 1, 1944-June 30, 1946. Miss. State Tax Comm. Serv. Bul. 32, 23 p. Jackson, 1946. 252.45 T192  
"We have tried to condense in this bulletin all information which we consider essential to a practical knowledge of the State's financial affairs." - p. 3.  
Similar information for 1934 may be found in Serv. Bul. 11, 12 p., 1935; for 1934-35 in Serv. Bul. 15, 35 p., 1936; for 1936 in Serv. Bul. 17, 43 p., 1937; for July 1, 1936-June 30, 1938 in Serv. Bul. 19, 47 p., 1939; for July 1, 1940 to June 30, 1942 in Serv. Bul. 25, 17 p., 1943.

161. MISSISSIPPI. STATE TAX COMMISSION. Report of a survey of homesteads in the State of Mississippi (as of the 1937 assessment records). 186 p., processed. Jackson, 1938. 284.5 M693  
Prepared at the direction of the Special Legislative Investigating Committee.  
This report is made up of statistical tables giving for the State, for the 82 counties, for special road and school districts, and for municipalities "estimates of advalorem tax losses, not including taxes for debt service requirements, which will probably occur as a result of a homestead tax exemption."

162. MISSISSIPPI. STATE TAX COMMISSION. Report of State income taxes for the years 1929 and 1930. 83 p. Jackson, 1931? 252.45 St22

163. MISSISSIPPI. STATE TAX COMMISSION. Report...on assessments for the tax year 1928. 246 p. Jackson, 1930? 252.45 St2  
Library has also earlier reports.  
Gives acreage and assessed valuation of timbered lands (excluding timber) and assessed valuation of timber, by counties.

164. MISSISSIPPI. STATE TAX COMMISSION. Report on the administration of the Homestead Exemption Act of 1940 for the period 1938-1945 inclusive. Miss. State Tax Comm. Serv. Bul. 27, 23 p. Jackson, 1944. 252.45 T192  
Statistics by counties.

165. MISSISSIPPI. STATE TAX COMMISSION. HOMESTEAD EXEMPTION DIVISION. The internal debt structure of the counties and municipalities of the State of Mississippi as of June 30, 1939. Compiled from an examination of county, municipal, drainage and levee district records. Miss. State Tax Comm. Serv. Bul. 22, 165 p. Jackson, 1940. 252.45 T192  
Similar information for 1935, for the counties only, may be found in Serv. Bul. 16, 189 p., 1936.

166. MISSISSIPPI. STATE TEXTBOOK RATING AND PURCHASING BOARD. Elementary forestry for Mississippi. 189 p., illus. Jackson, Miss. Forestry Comm., 1945. 99.61 M692

167. MISSISSIPPI-Alabama operators discuss logging and forestry. Meeting at Mason, Miss., under sponsorship of Southern Pine Association, takes up selective cutting, tractor logging, etc. South. Lumberman 156 (1968): 33-35. Apr. 1, 1938. 99.81 So82  
Includes talk, Logging Methods Employed in East Mississippi, by F. E. Peterson.

168. MISSISSIPPI boasts woman "lumberman." Mrs. Blume C. Triplett of Brooksville only woman sawmill operator in country. South. Lumberman 163 (2057): 233. Dec. 15, 1941. 99.81 So82

169. MISSISSIPPI RIVER COMMISSION. Alluvial valley of the Mississippi River. map, 2 sheets. Fort Humphreys, D. C., 1936, reprinted 1937. 152.61 AL5  
Map, scale 1: 500,000; timbered areas shown in green.

170. MIXED cars, quality products are central Mississippi's specialty. Amer. Lumberman, No. 3015, p. 38. Feb. 17, 1934. 99.81 Am3  
Notes on the types of lumber and service offered by 8 lumber companies in the area.

171. MOORE, A. G. T. The South a reservoir of forest wealth, a presentation of fact and constructive conclusions for the consideration of the Mississippi Joint Legislative Forestry Committee. 23 p., map. New Orleans, La., South. Pine Assoc., 1938? 99.61 So82  
"The purpose here is to set forth for the convenience of the Committee, a composite picture for the problem, and of the first essential steps to be taken in evolving a well-rounded state conservation program."

172. MUNNS, E. W. Forest and flood relationships in the Mississippi River watershed. In U. S. Dept. of Agriculture. Relation of forestry to the control of floods in the Mississippi Valley. 70th Cong. 2d Sess. House Doc. 573, p. 53-740, illus. Washington, D. C., 1929. 99.36 Un33  
For discussion of conditions in Mississippi see Pt. III, Forest Conditions Within the Lower Mississippi River Basin, by E. L. Denmon, p. 141-172, and p. 452-462 of Appendix I, which give detailed discussions of individual drainage basins.

173. NEWTON COUNTY AGRICULTURAL POLICY AND PLANNING COMMITTEE. Report ... on land use, containing descriptions, classifications and recommendations of local land use areas. 40 p., map, processed. Jackson? 1940? 282.045 N45  
Includes recommendations for changes in woodland areas and for practices on recommended woodland areas.

174. PAMELL, L. H. The forest flora of southern Mississippi. Ames Forester 1924, p. 31-35. Ames, Iowa, 1924. 99.9 Io94  
Species, rates of growth, distribution, and enemies.

175. PAUL, B. H., and MARTS, R. C. Growth, specific gravity, and shrinkage of twelve Delta hardwoods. Jour. Forestry 32: 861-873, illus. Nov. 1934. 99.8 F768

"Consideration of areas for permanent forests in the parts of the delta where flooding frequently occurs should take into account the probable unfavorable influence of flooding with respect to rate of growth as well as defects; together with the likelihood that the effects of such unfavorable influences will increase as levees are raised and backwater areas extended." From Authors' summary.

176. PAYNE, M. 8,000,000 trees planted on Mississippi farms. Miss. Forests and Parks 5(9): 8. Sept. 1939. 99.8 M694  
Result of 1933/39 tree-planting program.

177. PAYNE, M. Forest studies initiated by newly established forestry department of Mississippi Agricultural Experiment Station. Miss. Farm Res. [Miss. Sta.], 9(7): 7. July 1946. 100 M69Mi  
Projects under way and plans for 1947.

178. PENFOUND, W. T., and O'Neill, M. E. The vegetation of Cat Island, Mississippi. Ecology 15: 1-16, illus. Jan. 1934. 410 Ec7

179. PESSIN, L. J. An ecological study of the polypody fern *Polypodium polypodioides* as an epiphyte in Mississippi. Ecology 6: 17-38, illus. Jan. 1925. Ref. 410 Ec7

180. PESSIN, L. J. Forest associations in the uplands of the Lower Gulf Coastal Plain (longleaf pine belt). Ecology 14: 1-14, illus. Jan. 1933. 410 Ec7  
"The region described includes roughly the southeastern half of Georgia, the northern half of Florida, the southern half of Alabama, the southern half of Mississippi (excluding the Mississippi delta), the southern half of Louisiana, and the southeastern portion of the pine lands of eastern Texas. Consideration is given only to the vegetation of the rolling country, the flatlands, the upland stream margins, the shallow ponds and the swampy lands." - p. 1.

181. PESSIN, L. J., and BURLEIGH, T. D. Notes on the forest biology of Horn Island, Mississippi. Ecology 22: 70-78. Jan. 1941. 410 Ec7  
Reports observations on the vegetation, birds, and rodents of the island, which is one of four separating the mainland from the Gulf of Mexico. The principal forest species is slash pine.

182. PESSIN, L. J. Use of savannah lands for growing timber in south Mississippi. U. S. Forest Serv. South. Forest Expt. Sta. South. Forestry Notes 24, p. 2, processed. New Orleans, 1938. 1.9 F7624S  
Relates lack of pines on typical savannah area in Harrison Experimental Forest to high water-holding capacity of the soil.

183. POPHAM, W. D. Recreation on the Mississippi national forest. South. Conservationist 1(7): 11, 18, 22. Oct. 1937. 279.8 So8  
Policies and facilities.

184. PUTNAM, J. A., and BULL, H. Improvement cuttings in the bottomland hardwood forests of Mississippi. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 93, 14 p., processed. New Orleans, La., 1940. 1.9 F76240  
Delta Experiment Station cooperating.  
Also in South. Lumberman 161(203): 203-207. Dec. 15, 1940.  
99.81 So82

The trees of the bottomlands of the Mississippi River Delta region, their distribution, occurrence by site and cover type, utilization in the Delta, and the distinguishing characteristics of the principal and most common species and groups of species. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 27, 207 p., maps, processed. New Orleans, La., 1932. 1.9 F76240  
Includes description and discussion of principal species and groups of species, p. 65-201.

186. REFORESTATION program sponsored by private corporation. Jour. Forestry 39: 722-723. Aug. 1941. 99.8 F768  
Distribution of pine seedlings by Masonite Corporation in cooperation with State and Federal agencies.

187. REYNOLDS, R. V., and PIERSON, A. H. Forest products statistics of the Southern States. U. S. Dept. Agr. Statis. Bul. 69, 106 p., map. Washington, D. C., 1939. 1 Ag84St  
Statistics, by States, for varying periods, of lumber consumption, pulpwood consumption and wood pulp and paper production, cooperage stock, veneers, turpentine and rosin, stumpage prices, lumber log prices, and lumber prices.

188. REYNOLDS, R. R. Truck logging of pine in Mississippi and Louisiana. U. S. Forest Serv. South. Forest Expt. Sta. Occas. Paper 28, 10 p., processed. New Orleans, La., 1933. 1.9 F76240  
Also in South. Lumberman 147(1859): 23-26. Sept. 15, 1933.  
99.81 Sc82  
Deals with methods and costs.

189. SARGENT, C. S. The pine supply of Mississippi. U. S. Census, 10th. Forestry Bul. 4, 2 p., map. Washington, D. C., 1881. 157.4 C10F  
Gives estimated amount of merchantable pine standing May 31, 1880, by regions. Map shows cut-over areas and remaining stands.

190. SCOTT, J. C. Mississippi soils, classification and use. 150 p., map. Richmond, Va., Johnson Pub. Co., 1939. 56.1 Sc08  
Brief and simplified text.

191. SHEPARD, A. L. Another use for pine needles. U. S. Forest Serv. South. Forest Expt. Sta. South. Forestry Notes, 34, p. 3, processed. July 1940. 1.9 F7624S  
Tells of treating longleaf pine needles to be used as litter for poultry houses, using a process developed and patented by an operator in Harrison Co., Miss.

192. SINCLAIR, J. D. Early observations on soil wastage in Mississippi. U. S. Forest Serv. Forest Worker 6(6): 19. Nov. 1930. 1 F76Fw  
Quotes from official publication of 1857 to show that even at that time soil erosion was recognized as a problem in Mississippi.

193. SINCLAIR, J. D. Studies of soil erosion in Mississippi. Jour. Forestry 29: 533-540. Apr. 1931. 99.8 F768  
Based on conditions in 9 sample counties of the loess-bluff and silt-loam uplands of the State.

194. SMITH, H. F. Primary wood-products industries in the Lower South. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 51, 19 p., illus., processed. New Orleans, La., 1940. 1.9 F7624F  
Numbers of sawmills and of non-lumber, primary wood-using plants are given by States.

195. SOUTHERN MILL DIRECTORY. South. Pulp & Paper Jour. 9(11): 91-157 (incl. advertisements). Oct. 31, 1946. 302.8 So8

Information on plant, equipment, products, and personnel of pulp and paper mills. Mississippi mills are described on p. 104, 108, 124, 132, and 157.

196. SOUTHERN PINE ASSOCIATION. 1924 distribution of southern pine shipments. 114 p., processed. New Orleans, La., 1925? 99.76 So82D  
Tables show distribution by classes of trade, by item, by grades, and by States receiving shipments.

197. STEPHENSON, L. W., LOGAN, W. N., and WARING, G. A. The ground-water resources of Mississippi...with discussions of the chemical character of the waters, by C. S. Howard. U. S. Geol. Survey, Water-Supply Paper 576, 515 p., illus. Washington, D. C., 1928: 407 G29W  
Mississippi State Geological Survey cooperating.  
Ground-water resources by counties, p. 64-505.

198. STEWART, B. O. Masonite - a ligno-cellulose industry. Miss. Acad. Sci. Jour. 2: 31-35. 1940. 500 M697  
Presented Feb. 23, 1940, before the Mississippi Academy of Science.  
Describes processes and some of the products of the Masonite Corporation, Laurel, Miss.

199. STONE, A. H. Mississippi business index. Miss. State Tax. Comm. [Bul. 2, 3 p. Jackson, 1933. 252.45 T192  
Table shows indicated and accumulated sales for manufactures of timber products, creosoting plants, and naval stores combined, for 1932 and 1933.

200. STOVER, W. S. Forest resources of the Delta section of Mississippi. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 53, 28 p., illus., processed. New Orleans, La., 1942. 1.9 F7624F

201. STOVER, W. S. How timber growth and drain in the Lower South are estimated by the Forest Survey. South. Lumberman 161(2033): 100-102. Dec. 15, 1940. 99.81 So82  
Maps indicate changes in sawtimber and total growing stock between time of original survey and 1938, by units.

202. U. S. BUREAU OF AGRICULTURAL ECONOMICS. DIVISION OF AGRICULTURAL FINANCE. Tax delinquency of rural real estate in 45 Mississippi counties, 1928-33. 17 p., processed. Washington, D. C., 1935. 1.9 Ec78Tds

203. U. S. BUREAU OF PLANT INDUSTRY, SOILS, AND AGRICULTURAL ENGINEERING. Soil survey reports [for Mississippi]. Washington, D. C., 1901-44. 1 So32F  
Issuing office and series titles vary. The following reports have been issued for Mississippi: Adams Co., 1910; Alcorn Co., 1921; Amite Co., 1917; Biloxi Area, 1904; Chickasaw Co., 1915; Choctaw Co., 1920; Claiborne Co., 1926; Clarke Co., 1914; Clay Co., 1909; Coahoma Co., 1915; Covington Co., 1917; Crystal Springs Area, 1905; Forrest Co., 1911; George Co., 1922; Greene Co., 1932; Grenada Co., 1915; Hancock Co., 1930; Harrison Co., 1924; Hinds Co., 1916; Holmes Co., 1908; Jackson Area, 1904; Jackson Co., 1927; Jasper Co., 1927; Jefferson Davis Co., 1915; Jones Co., 1913; Lafayette Co., 1912; Lamar Co., 1919; Lauderdale Co., 1910; Lee Co., 1916; Lincoln Co., 1912; Lowndes Co., 1911; McNeill Area, 1903; Madison Co., 1917; Marion Co., 1934; Monroe Co., 1908; Montgomery Co., 1906; Newton Co., 1916; Noxubee Co., 1910; Oktibbeha Co., 1907; Pearl River Co., 1918; Perry Co., 1922; Pike Co., 1918; Pontotoc Co., 1906; Prentiss Co., 1907; Rankin Co., 1926; Scranton Area, 1909; Simpson Co., 1919; Smedes Area, 1902; Smith Co., 1920; Tishomingo Co., 1927; Warren Co., 1912; Wayne Co., 1911; Wilkinson Co., 1913; Winston Area, 1912; Yazoo Area, 1901.

204. U. S. BUREAU OF PLANT INDUSTRY, SOILS, AND AGRICULTURAL ENGINEERING. Soil surveys of Mississippi. 3 p., processed. Beltsville, Md., 1943? 1.9 So32  
Lists reports completed or in progress and libraries in Mississippi in which complete sets may be found.

205. U. S. BUREAU OF THE CENSUS. Statistical abstract of the United States, 1946. 1039 p. Washington, D. C., U. S. Govt. Print. Off., 1946. 157.9 St2  
Section 27, Forests and Forest Products, p. 702-718, includes some tables giving figures by States.

206. U. S. CENSUS., 16TH., 1940. Agriculture. Abandoned or idle farms, number and acreage, with classification of those reporting acreage by cause of nonoperation and by year of abandonment. Statistics for counties and a summary for the United States. A special study. 202 p. Washington, D. C., U. S. Govt. Print. Off., 1943. 157.4 C163Ab  
Table 3 shows number and acreage, with cause of nonoperation and year of abandonment, by counties.

207. U. S. CENSUS. 16TH., 1940. Manufactures, 1939. 3 v. in 4. Washington, 1942. 157.4 C164  
Groups 5, Lumber and Timber Basic Products, and 6, Furniture and Finished Lumber Products, in vol. II, pt. 1, p. 509-631, include statistics for Mississippi under the following headings: Logging camps and logging contractors (not operating sawmills).- Sawmills, veneer mills and cooperage-stock mills, including those combined with logging camps and with planing mills.- Planing mills not operated in conjunction with sawmills.- Plywood mills.- Partitions, shelving, cabinet work, and office and store fixtures.- Wooden boxes except cigar boxes.- Wood preserving.- Wood products not elsewhere classified.

208. U. S. DEPT. OF AGRICULTURE. FLOOD CONTROL SURVEY. Survey of the Yazoo River watershed in Mississippi. Letter from the Acting Secretary of Agriculture transmitting a report of a survey of the Yazoo River watershed in Mississippi describing an investigation of a program of water-flow retardation and soil erosion prevention in aid of flood control, made pursuant to the Flood Control Act of June 22, 1936. 78th Cong., 2d Sess. House Doc. 564, 58 p., illus. Washington, D. C., 1944. 148 10878  
Presents a "program of watershed treatments, including measures to retard run-off and prevent soil erosion for the control of floods on valley lands."

209. U. S. DEPT. OF AGRICULTURE. INTERBUREAU COORDINATING COMMITTEE ON MISSISSIPPI BACKWATER AREAS STUDY. YAZCO SEGMENT. Settlement possibilities, backwater areas of [six counties, Mississippi. 6 nos., processed. State College, Miss., 1942. 1.90 C21In8Ms  
Contains reports for the following counties: Humphries, 20 p.; Issaquena, 20 p.; Sharkey, 20 p.; Warren, 19 p.; Washington, 20 p.; Yazoo, 19 p.  
Each report contains a colored land-classification map of the county reported on and outlines settlement possibilities in terms of flood frequency, present land use and ownership, drainage, soils, tax load, land classification, classification of land in drainage districts, and incomes expected by classification areas. Suggested proposals for action are made for each of the counties studied, including designation of localities unsuited for agricultural use.

210. U. S. FOREST SERVICE. Basic forest statistics for the United States - as of beginning of 1945 - preliminary data from the reappraisal project. 17 p., map, processed. Washington, D. C., 1946. 1.962 A2B29

211. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. Basic data on forest area and timber volumes from the southern Forest Survey, 1932-36. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 54, 25 p., map, processed. New Orleans, La., 1946. 1.9 F7624F  
Table 6, Estimated forest area and timber volume by county in Mississippi, 1932-1935, p. 21-23.

212. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. The Delta Experimental Forest. 4 p., map. New Orleans, 1941. 1.9622 S2D38  
The Delta Experimental Forest is at Stoneville, Miss.

213. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. Growth and drain in the forests of central and southwest Mississippi. A progress report. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 34, 13 p., illus., processed. New Orleans, 1938. 1.9 F7624F

214. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. The Harrison Experimental Forest. 4 p., map, processed. New Orleans, 1939. 1.9622 S2H24  
The Harrison Experimental Forest is a part of the DeSoto National Forest in southern Mississippi.

215. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. The Harrison Experimental Forest. Miss. Forests and Parks 6(4): 4. Apr. 1940. 99.8 M694  
Brief description of the forest and its research projects.

216. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. Preliminary report on the Forest Survey of the bottom-land hardwood unit in Mississippi. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 6, 21 p., maps. New Orleans, La., 1934. 1.9 F7624F

217. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. A project plan for roadbank stabilization and associated erosion-control work on the Holly Springs National Forest, Mississippi. Prepared by the Forest Influences Division. 125 p., maps, processed. New Orleans, La., 1940. 1.9622 S2P94  
Prepared by H. G. Meginnis, E. R. Ferguson, H. W. Gray, and C. C. Lynn.

218. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. Pulping and nonpulping cordwood volume in survey unit #2, Mississippi. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 11, 9 p., illus., processed. New Orleans, La., 1935. 1.9 F7624F  
The area surveyed covers the major part of 27 counties in the northeastern part of the State.

219. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. Pulping and nonpulping cordwood volume in the longleaf pine region of Mississippi & east Louisiana. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 18, 9 p., illus., processed. New Orleans, La., 1936. 1.9 F7624F

220. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. Sawmills in the lower South; a progress report. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 25, 7 p., illus., processed. New Orleans, La., 1937. 1.9 F7624F  
Table shows species groups and size classes of mills in each of 4 units in Mississippi.

221. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. Sawtimber and cordwood volumes in central and southwestern Mississippi. A progress report. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 24, 9 p., illus., processed. New Orleans, La., 1937. 1.9 F7624F

222. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. Survey of the Little Tallahatchie watershed in Mississippi. Letter from the Acting Secretary of Agriculture transmitting a report of a survey of the Little Tallahatchie watershed in Mississippi, based on an investigation authorized by the Flood Control Act of June 22, 1936. The report outlines a plan of action for "run-off and water-flow retardation and soil-erosion prevention" in aid of flood control. 77th Cong. 2d Sess. House Doc. 892, 74 p., illus. Washington, D. C., U. S. Govt. Print. Off., 1942. 1 F7624Su

223. U. S. FOREST SERVICE. SOUTHERN FOREST EXPERIMENT STATION. Volumes on average acres in the principal units of the naval-stores region. A progress report. U. S. Forest Serv. South. Forest Expt. Sta. Forest Survey Release 29, 17 p., map, processed. New Orleans, La., 1937. 1.9 F7624F  
In the tables Louisiana Unit No. 4 and Mississippi Unit No. 4 are combined.

224. U. S. GEOLOGICAL SURVEY. WATER RESOURCES BRANCH. DIVISION OF SURFACE WATER. Surface water supply of the United States, 1944. Part 7, Lower Mississippi River basin. U. S. Geol. Survey Water-Supply Paper 1007, 378 p., illus. Washington, D. C., 1946. 407 G29W  
Includes gaging-station records of Mississippi River main stem, Yazoo River basin, Big Black River basin, Homochitto River basin, Buffalo River basin, and Mississippi River delta.  
Similar information for the years 1939-1943 may be found in Water-Supply Papers 877, 897, 927, 957, and 977. The report for 1939 contains a summary of yearly discharge at gaging stations at which 10 or more complete years of record have been collected.

225. U. S. NATIONAL RESOURCES PLANNING BOARD. The southern forests. A report of the Regional Committee on Southern Forest Resources. 59 p., illus. Atlanta, Ga., 1940. 173.3 N214So  
Includes 24 statistical tables giving information by States, chiefly from U. S. Government publications.

226. U. S. RESETTLEMENT ADMINISTRATION. LAND UTILIZATION DIVISION. LAND USE PLANNING SECTION. Problem area map and supplementary report. 13 p., map., processed. State College, Miss., 1936. 195 P94  
Classifies and discusses briefly 6 types of problem areas, in one of which reforestation is recommended.

227. U. S. WEATHER BUREAU. Climatic summary of the United States. Climatic date herein from the establishment of stations to 1930, inclusive. Rev. ed., 106 Nos., maps. Washington, D. C., 1932-37. (Its Bulletin, lettered series, W) 1 W37Bu  
Section 78, Northern Mississippi, 23 p.; Section 79, Southern Mississippi, 22 p.

228. U. S. WEATHER BUREAU. Climatological data; Mississippi section. v. 44; No. 1-13. New Orleans, La., 1945-46. 1.2 M69  
Issued monthly, with annual summary. Records temperature, precipitation, and river stages. Library has also earlier years.

229. U. S. WORK PROJECTS COMMISSION. Final report, forestry data study for Mississippi. 25 p., processed. Jackson, Miss., 1939. Ref., p. 11-25. 280.7 Un3M  
Mississippi State Planning Commission, sponsor.  
Lists 30 tables, 12 maps, and 19 charts and graphs completed during the project.

230. VAN SICKLE, J. V. Mississippi population trends and their implications. 115 p., processed. Jackson, Miss., 1943. 280.045 V36  
The State's forest lands and possibilities for their development are discussed on p. 77-83.

231. WAHLENBERG, W. G. Effect of annual burning on thickness of bark in second-growth longleaf pine stands at McNeill, Miss. Jour. Forestry 34: 79-81. Jan. 1936. 99.8 F763  
Includes table based on measurements of 1400 trees in 7 diameter classes.

232. WAHLENBERG, W. G., GREENE, S. W., and REED, H. R. Effects of fire and cattle grazing on longleaf pine lands as studied at McNeill, Mississippi. U. S. Dept. Agr. Tech. Bul. 683, 52 p., illus. Washington, D. C., 1939. Ref. 1 Ag84Te  
Report on an 11-year study of four types of land treatment for cattle grazing and timber.

233. WATKINS, W. I. Soils report - Yazoo backwater area. 59 p., illus., processed. Washington, D. C., U. S. Bur. of Plant Indus., Div. of Soil Survey, 1942. 1.965 S6So31

234. WEAVER, H. Mississippi farmers, 1850-1860. 139 p. Nashville, Vanderbilt Univ. Press, 1945. Refs., p. 126-130. 30.9 W37  
"Mississippi Farmers is an exhaustive analysis of the economic structure and incidentally the social structure of the agricultural population of Mississippi during the last ten years prior to the Civil War. Landownership in sample counties in every important geographical region of the state has been studied in all its phases from the unpublished census returns of 1850 and 1860." - Foreword.

235. WEBB, D. T. Erosion and related land use conditions on the Hell and Mud Creeks demonstration project, Mississippi. U. S. Soil Conserv. Serv. Erosion Survey 12, 25 p., illus. Washington, D. C., 1940. 1.6 So31  
Table 4 shows distribution of land use for each of 13 soil groups. 33.8 percent is in woodland.

236. WESTON, J. R. Sunken logs and logging brands of the lower Pearl River Valley [Mississippi]. South. Lumberman 165(2073): 56-57, illus. Aug. 15, 1942. 99.81 So82  
Note on logging practices in southern Mississippi prior to 1885.

237. WINTERS, R. K. Method of measuring pine pulpwood on farm woodlands in southern Mississippi. *South. Conserv.* 1(9): 10, 17. Dec. 1937. 279.8 So8  
Describes a simplified method for determining approximate volume.

238. WOOD-PRESERVING plants in United States, Canada, and Mexico. *Amer. Wood Preservers' Assoc. Proc.* (1945) 41: 262-271. 300.9 Am3  
Lists pressure and non-pressure process plants in separate alphabetical lists, with information on year built and number and size of cylinders or tanks.  
Library has also earlier issues.
