### Editorial Policy

The purpose of the *WJAE* is to provide a forum for creative and scholarly work in Agricultural Economics and related areas. Manuscripts should have a relationship to the economics of agriculture, natural resources, human resources, or rural and community development. Theoretical, methodological and empirical contributions in extension, research, or the teaching phases of agricultural economics are equally encouraged. Only refereed articles are accepted for publication.

### Editorial Communications

All manuscripts and editorial correspondence should be addressed to David A. Bessler and C. Richard Shumway, Co-Editors, *WJAE*, Department of Agricultural Economics, Texas A&M University, College Station, Texas 77843-2124. After July 1, 1988 all new manuscripts should be addressed to Douglas L. Young and David W. Price, Co-Editors, *WJAE*, Department of Agricultural Economics, Washington State University, Pullman, WA 99164.
