Agricultural Economics Research Review

Guidelines for Submission of Papers/Abstracts

1. The journal publishes research articles, review articles, research notes and communications in basic and applied research on economic aspects of agriculture and rural development. To encourage the young researchers, abstracts of M.Sc. and Ph.D. theses in agricultural economics are also published.
2. The journal is managed by the Agricultural Economics Research Association (India). The authors submitting papers to *Agricultural Economics Research Review* should generally be members of this Association.
3. Three copies of manuscript typed in double space should be sent to the Editor, *Agricultural Economics Research Review*, Division of Agricultural Economics, IARI, New Delhi 110012 and a soft copy to aeraindia@gmail.com simultaneously. All articles must include an abstract in about 100-150 words.
4. Authors should include the complete source of research article, like project, along with sponsor, M.Sc./Ph.D. thesis, etc. They should mention the title of the Project/Thesis also.
5. The length of papers should not be more than 20 (double space) typed pages, including tables, diagrams and appendices. Abstracts of recent M.Sc. theses should not exceed one typed page and those of Ph.D. theses, two typed pages. The authors must mention at the top of the abstracts the degree for which the thesis was submitted and the year of award, like M.Sc. (2006), Ph.D. (2006). The name of 'major advisor' should also be included.
6. Name(s) and affiliation(s) of the author(s) with e-mail address(es) should be provided on a separate page along with the title of the article.
7. Only essential mathematical notations may be used. All statistical formulae should be neatly typed. Footnotes should be numbered consecutively in plain arabic superscripts.
8. Only cited works should be included in reference list. The citation of references should be in the following order: author(s) name(s); year; title of article; name of journal; volume; number; and pages. Please follow the style of citations as in the latest issue of this journal. Papers not submitted in the standard format, as suggested above will not be considered for publication.

9. Papers submitted for publication should be exclusively written for this journal and should not have been published or sent for publication elsewhere.
10. Membership Tariffs/Subscription to AERR* (*Effective from January, 2007*)
